

## Northeast Livestock Expo

May 20, 21, 22nd - 2016

*Helping educate for tomorrow's agriculture.*

### Our Mission:

The mission of the Northeast Livestock Exposition (NELE) is to provide marketing, selling, and educational opportunities to local livestock producers and educate the public on the connection between local farms and their products

## **KIDS DAY SPONSOR A BUS PROGRAM**

In 2015, over 1600 K-6th graders with teachers and parents in hand descended on the Windsor Fairgrounds to learn about agriculture at NELE Kids Day. They represented 19 schools from central Maine and arrived on 27 buses. The transportation comes at a cost. Maine Ag in the Classroom has provided substantial funds, but more are needed. As a business in central Maine, we are asking if you would be willing to sponsor a bus in part or in full. The approximate cost for each bus is \$300.00.

The return ? NELE is a 501C3 organization and will provide a donation receipt. All sponsors will be acknowledged on the schedule given to the classrooms, the NELE web site, signs on the fairgrounds and on the backs of T shirts worn by over 100 agricultural youth to many fairs in Maine and New England.

Check can be made payable to NELE and returned with completed form to: **NELE c/o Cindy Kilgore, 65 East Jay Road, Jay, ME 04239** Questions, please contact by **Email: [cindy.kilgore@maine.gov](mailto:cindy.kilgore@maine.gov) or Cell: 215-4968**
