

SPONSORSHIP 2016 OPPORTUNITIES

Giving our farms the support they deserve!

**** **Help us celebrate our Tenth Anniversary!** ****

The Northeast Livestock Exposition (NELE) brings together youth for a weekend-long learning experience as they exhibit livestock and develop related skills and knowledge. NELE also provides a unique opportunity for livestock producers to market their meat animals, and holds educational seminars to ensure food safety and quality farm products. The general public is invited to see, learn about, and gain a better understanding of our livestock commodities.

Youth events are scheduled throughout the weekend, and include educational clinics, showmanship and breed shows, and fun team building activities. We would like to invite you to join this exciting event by becoming a sponsor. Your support will assist us in offering an outstanding program for the youth that participate. We are seeking financial sponsorships, as well as product donations and promotional items, to be used either as recognition awards and prizes for participating youth, or as items to be sold in our silent auction that is held during the Expo.

Please mail completed form with payment made out to **Northeast Livestock Expo** to:

Jess Strout 203 South Main St. Burnham, ME 04922

(207) 399-9268 jess.strout@gmail.com

Any level of support is greatly appreciated and will be recognized!
